

Rep Box Office and the Postal Strike

As you will be aware the postal strikes continue and at the moment we are not able to rely on the postal service. As the box office for Mrs Warren's Profession opens this weekend we have decided to take the following actions to ensure that you are able to get your tickets and enjoy the show as easily as possible.

Ticket applications can be taken by email on dunstableboxoffice@googlemail.com Please ensure you include the night you require your tickets for, the number and type of tickets you require and your full name.

The Box Office can also be contacted by phone on 07940 105864.

We will not be posting out tickets in advance of the show. You will be able to collect then during the run of the show or on the night you are coming to see the performance. If you have already sent us an SAE this will be returned to you when you collect your tickets so you can use it another time.

We will be confirming ticket allocation by email (or by phone if we do not have an email address for you). Confirmation for the applications received so far will be completed by Monday 2 November so if you have sent an application and have not heard back by then please contact the Box Office.

Please note that there will be a delay on responding to messages between Thursday 5 November and Monday 9 November as the Box Office Manager is out of the country. Messages will however be checked and responded to as soon as possible.

We appreciate your patience with this and look forward to seeing at Mrs Warren's Profession.
